COLLECTION OF BRASS COINS  
OF THE  
ANCIENT JEWISH NATION. — (JUDÆA).

*Vide Note at the end.*

\* \* \* *The references are to M. De Saulcy's admirable book, "Recherches sur la Numismatique Judaïque," Paris, 1854.*

HIGH PRIESTHOOD OF YADDOUS,

*Time of ALEXANDER THE GREAT, who acknowledged to Yaddous, the Hebrew Autonomy, with its right of Coinage; before Christ about 320.*

- 449 A large Wine Cup, ornamented round its edge, supposed with much reason, to represent the golden cup of wine deposited with the Shew-bread, in Hebrew characters "OF THE REDEMPTION OF SION," *rev.* what M. De Saulcy calls "Zoulab entre deux cédrats," but what appears to this writer to be a sheaf of fruit, including distinct wheat-ear and two vases, for wine and oil; thus representing the three necessities of life—corn, wine, and oil—(this opinion is offered with much deference); "Year IV," *very fine, distinct, and very rare, pl. I, fig. 8* 8
- 450 Yaddous, High Priest of the Jews, as before, similar to *pl. I, fig. 9, obv.* Wine Cup, *rev.* Sheaf, &c., similar legends, *very fine, patinated, and very rare* 1
- 451 Yaddous, High Priest, as before, similar to preceding, larger Wine Cup, letters differing, *fine and very rare* 1
- 452 Yaddous, High Priest, as before, type and Hebrew legends as before, the letters are very different, better, and smaller, the wheat-ear very distinct, *very fine and rare* 1
- 453 Yaddous, High Priest, as before, types and legends similar, many of the letters differ, *very fine, patinated, and very rare* 1
- 454 Yaddous, High Priest, as before, type and legends similar to preceding, *very fine, requires cleaning* 1
- 455 Yaddous, as before, legend and types similar, *very fine and rare, could be improved by judicious cleaning* 1

- 456 Yaddous, High Priest, as before, types and legends similar, but not identical, smaller, thinner, and lighter, *fine and very rare* 1
- 457 Yaddous, as before, *obv.* and *rev.* similar, with similar legends in Hebrew characters, a variety, larger than any of the preceding, *very fine and rare, appears to have passed through fire* 1
- \* \* \* The preceding nine rare coins have been carefully compared, and it is found that they all differ, in some letters or particulars; it is probable that some bear other dates, than the "Year IV," therefore merit study.
